# 139<sup>th</sup> Retiree Database

(please print neatly)

Hello 139<sup>th</sup> Retiree,

I am Chief Master Sergeant Scott Owens and I am the POC for the 139<sup>th</sup> AW retirees and I have a fellow retiree, De DePastino assisting me. Mr. DePastino has been working for almost two years on gathering current information on the Wing retirees. I am now asking for each retiree's help. As of today, we have about <u>510</u> names but only <u>340</u> with even just the basic information requested and less than <u>275</u> with an email (preferred) or address for contacting.

- 1. Primary mission is to build a 139<sup>th</sup> retiree database with the 'BASIC' information requested below.
- 2. If you wish to receive information from the base, on occasion, provide your contact information.

139 AW Retirees: Please provide us with your information listed below (or the attachment). You can email or send through the US mail. Please disseminate this to other retirees that you know.

<u>Widows and Widowers:</u> You are part of the Guard family and we want to include your information. Please fill out for your military member spouse and yourself.

<u>All:</u> If you remember who retired with you or just names of others that retired, please send them, maybe someone else will remember other pieces; we will consolidate all the partial pieces of information received. It's never too late to send information.

Names, service information are the most important, then emails, and then addresses. I imagine costs will limit most Air Wing communications to emailing retirees important happenings/events at the Wing and benefits information that would be of interest to retirees.
